Re: Application for Award of the Environmental Label according to DE-UZ 142 for "Household Energy Meters“

Dear Madam, Dear Sir,

to make sure your application for Award of the Environmental Label is processed without delay you are kindly requested to submit the following documents to RAL gGmbH:

- Product-related informal application on the firm's letter-head paper indicating the federal state being home to applicant’s factory that manufactures the products to be marked with the eco-label.

  Annex 1: Declarations/Compliance Verifications with respect to the contract (form)
  Annex 2: Measurement report on the measurement tolerances (form)
  Annex 3: Manufacturer/Supplier declaration on plastic materials (form)
  Annex 4: Measurement report on own power consumption
  Annex 5: EU Conformity Declarations on LVD and EMC
  Annex 6: Drop test report
  Annex 7: Test report on warming under maximum load
  Annex 8: Test report on the surface voltage measurement
  Annex 9: Corresponding pages of the product documentation (please do not submit complete copies)

- Expected sales of the products marked with the Blue Angel eco-label during the year of application. This information is required only if, so far, no other Contract on the Use of the Environmental Label according to DE-UZ 142 has been concluded with RAL gGmbH.
