To the Applicant

Checklist

Application for the Award of the Environmental Label according to DE-UZ 206
for “Garden tools”

Dear Sir/Madam,

Your application for the award of the Environmental Label can only be processed without delay when the following are submitted to RAL gGmbH:

- Product-related informal application on the firm's letter-head paper indicating the federal state being home to applicant’s factory that manufactures the products to be marked with the ecolabel;
- Fully completed "Annex 1 to the contract" pursuant to DE-UZ 206;
- Test report on the A-weighted sound power level L_{WA} in accordance with Directive 2000/14/EC as Annex 2;
- Verification of the labelling of the A-weighted sound power level as Annex 3;
- Image of the battery capacity on the rechargeable batters as Annex 4;
- Test report on the capacity of the rechargeable battery (rated capacity) in accordance with the EN 61960 standard as Annex 5;
- Test report on the self-discharge (charge retention) in accordance with the EN 61960 standard (please observe the deviations stated in the Basic Award Criteria) as Annex 6;
- Test report in accordance with BAM or EPBA methods as Annex 7;
- Test report on the general safety requirements in accordance with EN/IEC 62133 stating the testing method used as Annex 8;
- Test report on the no load power consumption of the charging device according to the External Power Supplies Directive (EC) No. 278/2009 as Annex 9;
- Test report on the rechargeable battery's protection against over-discharging and deep discharging according to the EN 60335-2-29 standard as Annex 10;
- ROHS Declaration of Conformity as Annex 11;
- Annex P-M: Plastics used in the housing
- Annex P-L: Product components made of plastic
- Test report on the exclusion of harmful substances in the handles according to the requirements of AfPS GS 2014:01 PAH as Annex 12;
- Product documentation with information on the page numbers as Annex 13;
- Expected sales of the products marked with the Environmental Label during the year of application. This information is required only if, so far, no other Contract on the Use of the Environmental Label according to DE-UZ 206 has been concluded with RAL gGmbH.
