

OKAY.III

MORE MOMENTUM FOR YOUR WORK RHYTHM

COAT HOOK

In black wire, with or without neck support, can be retrofitted as an option.

SUSTAINABLE SEAT COVER

Slip-on seat cover to conceal/protect heavily used or damaged upholstery.

CONTROL ELEMENTS

for individual adjustment of seat height, seat depth, seat angle, and weight adjustment.

GAS SPRING SCRAPER

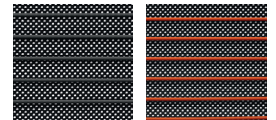

Ensures optimum lubrication of the spring. No impairment, e.g. due to the ingress of dust or other particles.

NECK SUPPORT

Can be retrofitted as an option, height and angle can be adjusted.

KNITTED BACK

stretched over bounce bands in a choice of white, black, or orange.

4D MULTIFUNCTIONAL ARMRESTS

Relieves strain on shoulders and neck. Width, height, and depth adjustable without tools; support can be swiveled.

LUMBAR SUPPORT

is infinitely adjustable in height and depth on each side.

VSP® SYNCHRONOUS MECHANISM
Virtual Swing Point ensures the perfect movement sequence when sitting.

OKAY.III INFOCARD

KNITTED BACK

1 | KNITTED BACKREST

The comfortable knitted backrest with elastic "bounce" straps ensures a pleasant seating experience.

2 | HEIGHT-ADJUSTABLE NECK SUPPORT AND COAT HOOK

The neck support relieves strain on the shoulder and neck muscles. Backrest available with or without coat hooks.

3 | ERGONOMICALLY SUPPORTED

The lumbar support can be individually adjusted in height and depth on both sides.

4 | ADJUSTABLE ARMRESTS

Various adjustment functions relieve strain on the shoulders and neck.

5 | SMART CONTROLS

For individual adjustment of seat height, seat depth, seat tilt, and weight adjustment.

6 | THOUGHTFUL EXTRAS

The operating instructions are always at hand.

7 | SOLID FOUNDATION

Base in plastic or aluminum, alternatively base with flat arms in aluminum.
