# Mother film

with the environmental label  
“Der Blaue Engel”

The eco label “Der Blaue Engel” (“The Blue Angel”) is renowned for its principle of strictly abiding by the highest standards of recycling waste plastic from the environment which is further on used in end products. Our company, Termoplasti-Plama, promotes the proper disposal and waste sorting with the intention of reuse. Therefore, we have supplemented our product range with:

- Bags with flexible handles
- Patch-handle bags
- Courier bags
- Mother film

that proudly bear the “Blue Angel” label.
