

# Certificate

## Indoor Air Comfort Gold

PETG

*Certified Product*

HMTX Industries, LLC

29 Oakwood Ave., Norwalk CT 06850, USA

*Applicant*

The above product complies with the Indoor Air Comfort Gold specifications, version 9.0 (2023). These include both inspection of factory production and VOC emissions testing according to EN 16516, at regular intervals. Indoor Air Comfort Gold combines all key European and selected global requirements on VOC product emissions. Additional requirements not related to VOC product emissions, for example content of certain substances or odour are not combined or evaluated. The following VOC emission requirements are combined and the certified product shows compliance with these VOC emission related limit values:

- |                          |                            |                               |                              |
|--------------------------|----------------------------|-------------------------------|------------------------------|
| - Belgian VOC regulation | - LEED (ACP)               | - Blue Angel DE-UZ 120        | - Eco Product Norway         |
| - France VOC class A+    | - BREEAM New Construction  | - Austrian Ecolabel UZ 42     | - SINTEF (Norway)            |
| - Germany (AgBB/ABG)     | - WELL Building            | - Austrian Baubook            | - Cradle to Cradle           |
| - Italian CAM Edilizia   | - DGNB                     | - M1                          | - very low emitting products |
| - EU Taxonomy Regulation | - SKA Rating               | - Danish Indoor Climate Label | - according to EN 16798-1    |
|                          | - French HQE certification | - (Emission Class 1)          | - Singapore Green Label      |

## Appendix to Certificate IACG-346-01-13-2025

HMTX Industries, LLC

receives the Indoor Air Comfort Gold certificate with validity 22 April 2030

for below product group, including subgroups and individual products as listed:

Product group: PETG

Product type: Resilient Floorings

Products included:

Allure Forte  
PETG Floor  
Aspecta PETG

The products in this group are based on identical or similar recipe and are produced under equivalent conditions. Grouping of the products and inspection of the production process is part of the Indoor Air Comfort Gold certification. A worst-case product, which is representative for the whole group, is being tested frequently.
