

DEBABAG® PCR
*Flat bag – packed
full of eco-friendliness!*

DEBATIN®
SAFE. PERFECT. PACKED.

► **DEBABAG® PCR** is a versatile flat bag designed for the safe and secure packaging of textiles, plastics, metals, and other items. What sets it apart is its commitment to sustainability, using a 50 µm thick tear-proof, transparent PCR film. And if you want to spread the word about our fully recyclable, eco-friendly solution: we'll be happy to add the **DEBABAG® PCR** branding on request.

Overview of features:

- Choose the dimensions to suit your needs
- Made of 80% transparent PCR film
- With PE label
- Custom branding available
- Special designs available upon request
