

BOLSAS CASTRESANA, S.L.U.
Manufacturer of plastic bags

100% RECYCLED RUBBISH BAG

100% recycled material

Our rubbish bags are made from 100% recycled polyethylene plastic material recovered from recycled polyethylene. After the various stages of washing, melting and subsequent extrusion, this material is transformed into a material that is completely suitable for a new use.

Colours

The wide range of pigmentation that we have available makes it possible to finish the product in the colour that the customer determines and requests.

Finishes

With thicknesses ranging from 15 to 150 microns, we are able to produce bags suitable for 30, 50, 100, 120 and 240 litres. Providing solutions to the needs of each customer.
