

Quality, the best value.

Product Overview

Reliable solutions for all industries

www.craemer.com

www.craemer.co.uk

Premium products for all industries

Craemer is one of the leading European manufacturers of high-volume plastic injection-moulded parts. The versatile product range includes plastic pallets, pallet boxes, storage and transport containers as well as wheeled bins.

Whether it is pallets for the food or pharmaceutical industry, transport containers for the fish and meat industry or wheelie bins for waste management processes - sound know-how and decades of experience have gone into the development and production of all high-quality Craemer plastic products.

Plastic Pallets

Our product highlights for efficient pallet logistics

SL pallet

Robust and lightweight

- Single shot moulded
- Three runner pallet with low weight
- Height of only 120 mm

SL1
1200 × 800 × 120 mm

D pallets

From light weight to heavy duty loads

- Excellent price/performance ratio
- Variety of options
- D2: a real alternative to the Dusseldorf pallet

D2
800 × 600 × 160 mm

D1
1200 × 800 × 150 mm

D3/D3-5
1200 × 1000 × 150 mm

CS pallets

Multi-talented across many industries

- Ideal for bagged goods, cardboard packaging and other packed goods
- Combines numerous proven product features
- Variety of equipment options

CS1
1200 × 800 × 150 mm

CS3
1200 × 1000 × 150 mm

H pallets

A benchmark in hygiene

- Europe's No.1 hygiene pallet
- Standard in the meat industry since more than 20 years
- EURO H1: only plastic pallet with comprehensive exchangeability

H2
800 × 600 × 160 mm

EURO H1
with central box retainers, 1200 × 800 × 160 mm

H1
1200 × 800 × 160 mm

H1
1200 × 800 × 160 mm

H1
1200 × 800 × 160 mm, (Conductive pallet)

H3
1200 × 1000 × 160 mm

H3
1200 × 1000 × 160 mm

CR pallets

Maximum performance in premium quality

- Bestselling pallet with RFID technology
- Best quality for complex applications
- Ideally suited for high rack warehouses and automated processes

CR2
800 × 600 × 160 mm

CR1
with metal profiles, 1200 × 800 × 160 mm

CR1
1200 × 800 × 160 mm

CR1
with metal profiles, 1200 × 800 × 160 mm

CR3/CR3-5
with metal profiles, 1200 × 1000 × 160 mm

CR3-5
1200 × 1000 × 160 mm

CR3/CR3-5
1200 × 1000 × 160 mm

TC pallets

The benchmark in the closed pallet market

- Totally Closed – permanently completely closed for heavy duty applications
- Patented welding geometry
- Heavy duty hygiene pallet
- Compatible with all closed pallets in the market

TC1
1200 × 800 ×
160 mm

Industrial size

Craemer Plastic Pallets are food grade
depending on version.

Depending on type and version, Craemer plastic pallets are available with various rim options, corrosion-protected reinforcement profiles, welded runners or anti-slip coating.

Storage and Transport Containers

First-class quality for various applications

Large Container

125–400 l

- Ideal for storage and transport
- Nestable, forklift accessible (except for 125 l container)
- Smooth walls

Large Container 125 l
Accessories: Lid
505 × 505 × 715 mm

Large Container 210 l
Accessories: Lid,
trolley
790 × 605 × 685 mm

**Stack & Nest
Container 300 l**
Accessories: Lid
1200 × 780 × 580 mm

Large Container 400 l
Accessories: Lid, trolley
945 × 725 × 830 mm

Round Container

20–200 l

- Ideal for mixing, storing and transporting of goods
- Perfectly tailored to the requirements of hygiene-sensitive application areas
- Durable, robust quality

Bin 40 l
Accessories:
Lid, trolley
Ø 420 × 445 mm

Bin 50 l
Accessories:
Lid, trolley
Ø 420 × 540 mm

Bin 75 l
Accessories:
Lid or snap-on lid,
trolley
Ø 515 × 530 mm

Bin 110 l
Accessories:
Lid or snap-on lid,
trolley
Ø 515 × 733 mm

Bin 200 l
Accessories:
Lid, trolley
Ø 730 × 670 mm

Bucket 20 l
Ø 380 × 280 mm

Bucket 30 l
Ø 380 × 420 mm

Tub 65 l
Accessories:
Lid
Ø 590 × 330 mm

Tub 85 l
Accessories:
Lid
Ø 628 × 385 mm

Trough 100 l
with / without drain
and plug
Accessories: Table stand
or wall frame
980 × 550 × 310 mm

Transport and Stacking Boxes

25-80 l

- Reliable and hygienic safety
- Extremely versatile
- Robust and resilient

Stacking Box 25 l
475 × 340 × 220 mm

Stacking Box 50 l
830 × 530 × 200 mm

Stacking Box 55 l
750 × 445 × 200 mm

Transport Box 40 l
730 × 480 × 180 mm

Transport Box 80 l
760 × 500 × 320 mm

Stack & Nest Boxes / Fish Boxes

10-50 kg / 15-75 l

- Long lifetime, high manufacturing quality
- Break resistant, impact resistant
- Stackable, nestable, high volume reduction

Stack & Nest Box / Fillet Box 10 kg / 15 l
600 × 400 × 125 mm

Stack & Nest Box / Fillet Box 15 kg / 20 l
600 × 400 × 150 mm

Stack & Nest Box / Fish Box 30 kg / 32 l
Accessories: Lid
600 × 400 × 225 mm
Standard colours: ■ ■

Colours and Labelling

Need a special colour? No problem, we offer a large range of standard and special colours. All Craemer products can of course also be personalised with lettering, logo and sequential numbering. (All custom requirements may be subject to minimum order quantities and production positioning. Details available upon request.)

The following labelling options are available:

- Logo (hot stamping)
- Lettering (hot stamping)
- Sequential numbering (hot stamping)
- Injection moulded logo

Example: Logo (hot stamping)

Example: Lettering (hot stamping)
