

BIO chainsaw oil

Biodegradable chain oil with SuperTECH adhesion additive for all high-performance power saws

High-quality additives guarantee optimum lubrication of chainsaw chains, guide rails and chain wheels

Reduces wear-related costs and increases the service life of power saws.

New SuperTECH adhesion additive for excellent adhesion

- Low consumption
- Minimum splatter

Suitable for tricky application conditions

- When sawing hardwood, the guide bar does not overheat
- Suitable for use in extreme daytime temperatures in summer and winter

Vegetable-based

Up to 98 % biodegradable (CE L-33-A-94 test)

With practical pull-out spout for pouring

Resin- and acid-free

Best possible KWF (Curatorship for Forest Technology) rating of "very useful"

Contents	5 l
Container	Canister
Colour	Yellow
Smell/fragrance	Characteristic
Chemical basis	Natural ester

Art. no. 0893 057 05

P. Qty.: 1

Details/Application

High-quality additives guarantee optimum lubrication of chainsaw chains, guide rails and chain wheels.

Instructions

With practical pull-out spout for pouring

Notice

Prevents blades overheating when sawing hardwood. Suitable for use in extreme daytime temperatures in summer and winter. Do not allow unused product to enter drains, water or the ground. Any remaining product must be disposed of at a local hazardous waste collection centre. Only hand the container over for recycling if completely empty. Keep out of reach of chil-

dren.

The usage instructions are recommendations based on the tests we have conducted and based on our experience; carry out your own tests before each application. Due to the large number of applications and storage and processing conditions, we do not assume any liability for a specific application result.
