

Colorset

Colorset is a 100% recycled uncoated text and cover paper. The sheet has an antique, matt finish with high bulk, good opacity and an excellent environmental pedigree.

Applications: fancy cards, decorations, business paper, menu cards, calendar, art-prints promotional material, hobby papers, brochure and book covers, etc.

Advantages:

- brilliant and bright colours
- very close colour tolerance
- homogenous surface
- in accordance with DIN EN 71-3
- natural product
- variety of colours
- marked with the eco-label "The Blue Angel"

Standard grammages: 120, 270 and 350 gsm

Surface: machine finished

Printing methods: offset printing, screen printing, flexo printing, laser- and inkjet printing
A printing test is recommended.

Further processing: foil embossing, lamination, spot varnishing, creasing, folding, die-cutting, embossing, perforation, flocking, etc.

Environmental: Colorset is manufactured from 100% recycled (post industrial) fibres. See swatch for details. The mill's product has been awarded 'Blue Angel' certification.

Stock Range: All colours are available in 120gsm, 270gsm and 350gsm

Stock Sizes: All colours are available in B1 (700x1000mm)

Other Options: Bespoke colours and special sizes and substances can be made to individual customer specifications. The mill has duplexing facilities to make heavier substances and embossed finishes are also available on request
