

Flexi- Loop Handle Carrier Bag.

Often referred to as the 'Bag for Life', flexi-loop carrier bags are strong and versatile. The top of the bag is turned over to create a super strong base for the flexi-loop handles.

Euro SME Flexi Loop handle bags are primarily intended for the needs of specific retailing, particularly retail fashion shops and boutiques.

We are capable of supplying loop handle carriers in a wide selection of sizes, with or without a bottom gusset, colors of loop handles and customized printing as per the customers' requirements.
