

A range of mailing bags

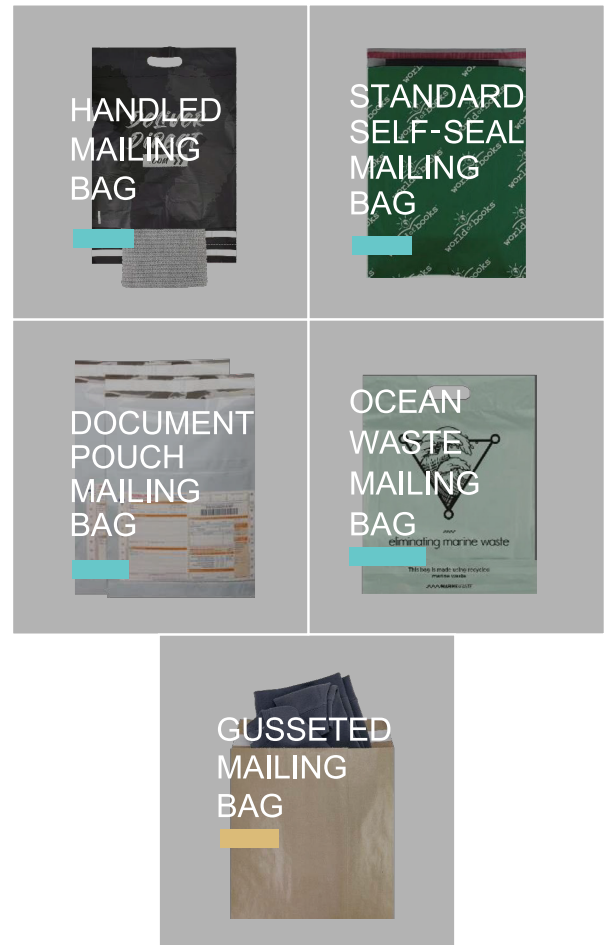

We have it sorted.

Dedicated production & expertise in the manufacture of a core range of courier or mailing bag styles including:

1. Standard self-seal mailing bags
2. Document pouch bags
3. Handled mailing Bags
4. Wicketed mailing bags (Grommet free option available).

Available in a range of high gloss colours and sizes, our high quality co-extruded mailing and courier bags offer a secure means of delivery for multiple industrial and domestic applications.

They can be printed with up to 6 colors. We are capable of manufacturing from a range of materials. Be it compostable or recycled made with certified Post Consumer Waste (Blue Angel) or Ocean Waste Material (OWM).
