Product description

School Life : equipped for the best. A range that gathers essential scholar tools and in an ergonomic way, made to resist and to make the pupils successful. With our School Life range, you are going to like organization. The School Life Recyc+ collection has been designed to meet the demanding consumers' expectations, concerned about preserving the environment and buying responsibly, but without sacrificing quality and style. Made of certified recycled plastic from household waste, covers feature a scratch-resistant sanded surface combined to bright grip lines to facilitate the product handling. The OXFORD School Life Recyc+ folder has an elasticated closure and an adhesive spine label to facilitate the identification. Its opaque polypropylene cover offers perfect confidentiality of the content and is available in 4 vivid colours: blue, green, red and black.
