Assez 100% Natural Emulsion Oil

20ml

A main component, Golden Jojoba oil is a deeply penetrating oil with excellent softening and moisturizing effect. Unprocessed Jojoba seed oil naturally suits well on skins to minimize irritation and maximize moisturizing effect with its own nutrients which can be absorbed well into your skin. The Eucalyptus oil has been proven to strengthen respiratory system and clear our heads. It also has purification effect on skin with its antiseptic aspect. Tea tree oil has been used to ease skin troubles by aborigines in Australia, and help wound to recover during the 2nd World War.

Assez 100% Natural Emulsion Oil 20ml

100% Natural Assez Emulsion Oil is formulated only with 100% plant-derived high-performance essential oils like Eucalyptus oil and Tea tree Oil to boost moisture levels.

This plant-based formula will sink instantly into your skin and thoroughly hydrates without clogging pores so that it stops producing excess oil and helps rebalance your oil production to prevent breakouts. Assez facial oil leaves any skin type, including sensitive and aging, moisturized and nourished.

Assez does not use lower quality oil as it has its focus on quality over quantity, and mix the best possible essential oils at its best ratio to revitalize and moisturize your skin.
