

Checklist

Application for environmental label according to UZ 104 „Wet cleaning services“

Dear Ladies and Gentlemen,

Your application for the award of the environmental label can only be processed without loss of time if RAL gGmbH has received:

- Annex 1(Excel):** Declarations by the applicant and technical information. Please note that there are several Excel sheets.
- Annex 2:** Declaration by the machine manufacturer for special washing machines and dryers for wet cleaning (paragraphs 3.1, 3.2.1 und 3.2.2)
- Annex 3:** Detailed declaration of the detergent and cleaning agent manufacturer (paragraphs 3.3.3 und 3.3.4)

Safety data sheets:

Current safety data sheet (max. 2 years old) for every detergent and cleaning agent and other auxiliary substances.

Technical data sheets:

Technical data sheet for every washing machine or dryer used for wet cleaning.

EU Ecolabel certificate (optional):

Valid EU Ecolabel certificate for detergents for industrial and institutional use ((EU) 2017/1219 product group 039), if applicable.

All application documents must be uploaded to the web portal and sent to RAL.
