**Annex 16: Support for local initiatives to promote responsible mining**

For the Application according to DE-UZ 239 Environmental Label for Office Equipment with Printing Function

**Declaration by the Manufacturer of the Office Equipment with Printing Function:**

Manufacturer (or the parent company):

☐ The manufacturer confirms compliance with the criteria 3.8.2 of the DE-UZ 239.

In addition, the manufacturer or the parent company supports at least one of the following initiatives for responsible mining:

☐ ITSCI Programme for Responsible Mineral Supply Chains[1]

☐ Fair Trade Gold[2]

☐ Fairmined Gold[3]

☐ Responsible Minerals Initiative (RMI)[4]

☐ The European Partnership for Responsible Minerals (EPRM)[5]

☐ JATAM Project Indonesia (Mining Advocacy Network)[6]

☐ IRMA – the Initiative for Responsible Mining Assurance[7]

The Membership of the manufacturer of the devices can be verified by the presence of the manufacturer's name on the list of members on the website of the respective initiative.

Please add a link to the website, if applicable.
