Re:      Application for Award of the Environmental Label according to DE-UZ 104  
         for „Wet Cleaning Services“

Dear Madam,  
Dear Sir,

to make sure that your application for Award of the Environmental Label is processed without delay you are kindly requested to submit the following documents to RAL gGmbH:

- Product-related informal application on the your firm's letter-head paper indicating the federal state where the production plant is located that manufactures the product to be marked with the Environmental Label.
- Fully completed „Annex 1 to the Contract“ pursuant to DE-UZ 104.

Annex 2:      Declaration of the manufacturer of the wet cleaning system

Annex 3:      Declaration of the manufacturer of the washing and cleaning agent

Annex 4:      Technical data sheets describing the wet cleaning process applied

Annex 5:      Technical data sheets for all further units used for drying

- Expected sales of the products to be marked with the Environmental Label during the year of application. This information is required only if, so far, no other contract on the Use of the Environmental Label according to DE-UZ 104 has been concluded with RAL gGmbH.
