Re: Application for Award of the Environmental Label according to DE-UZ 134  
for „**Auto-Off Power Strips and Socket Adapters**”

Dear Madam, Dear Sir,

to make sure your application for Award of the Environmental Label is processed without delay  
you are kindly requested to submit the following documents to RAL gGmbH:

- Product-related informal application on the firm's letter-head paper indicating the federal state being home to applicant's production facility that manufactures the products to be marked with the eco-label.
- Annex 1: Delarations/Compliance Verifications for the contract (form)
- Annex 2: Test report on own power consumption prepared by a DIN EN ISO/IEC 17025 accredited testing laboratory or a testing laboratory that has been accredited as SMT laboratory
- Annex 3: Manufacturer or supplier declaration on plastic materials (form)
- Annex 4: Declaration on the chemical designation of the flame retardants used (CAS No.)
- Annex 5 Test protocols verifying compliance with the safety requirements prepared by a DIN EN ISO/IEC 17025 accredited testing laboratory or a certificate issued by an accredited testing laboratory on the basis of DIN VDE 0620-1 or IEC 60884-1
- Annex 6: Relevant pages of the Operating Instructions
- Expected sales of the products marked with the Blue Angel eco-label during the year of application. This information is required only if, so far, no other Contract on the Use of the Environmental Label according to DE-UZ 134 has been concluded with RAL gGmbH.
