Subject:        Application for the Award of the Environmental Label according to DE-UZ 161  
for "Energy Efficient Data Center Operation"

Dear Sir/Madam,

Your application for the award of the Environmental Label can only be processed without delay when the following are submitted to RAL gGmbH:

- Product-related informal application on the firm's letter-head paper indicating the federal state being home to the applicant's factory that manufactures the products to be marked with the ecolabel.
- Annex 0: General application form for the "Blue Angel" (printed form)
- Annex 1: Declarations/compliance verifications for the contract (printed form)
- Annex 2: Energy Efficiency Report according to the document template or presented in an equivalent form (Paragraph 3.1.3)
- Annex 2a: IT Inventory List for Servers (Paragraph 3.1.2.1)
- Annex 2b: IT Inventory List for External Storage Systems (Paragraph 3.1.2.1)
- Annex 2c: IT Inventory List for Network Equipment (Paragraph 3.1.2.1)
- Annex 2e: Energy Monitoring (Paragraphs 3.1.1.1 and 3.1.1.2)
- Annex 2f: Monitoring of the IT load (Paragraph 3.1.2.2)
- Annex 2g: IT Inventory List for Cooling Systems (Paragraph 3.1.2.1)
- Annex 4: Report by the auditor according to Annex 3
- Annex 5: Electricity labelling data or individual verifications (Paragraph 3.1.1.4)
- Expected sales of the products marked with the Environmental Label during the year of application. This information is required only if, so far, no other Contract on the Use of the Environmental Label according to DE-UZ 161 has been concluded with RAL gGmbH.
