¹ Recyclates are products from post-consumer waste, sourced using waste recovery methods, that are used as substitutes for new products in typical material applications.

I declare (tick if applicable for the packaging material):

Attached to this declaration a certificate verifying the recycled content (for paper/cardboard only).

Attached to this declaration a third party verification and traceability for postconsumer recycled content. Certificates of recyclers pursuant a certification scheme following standard EN15343 may be used to support verification. Certificates of product production for converters pursuant a certification scheme following a controlled blending model as described in the ISO 22095 may be used to support verification.

I, the undersigned, hereby declare that all the documents provided to demonstrate the accomplishment with the criteria are true and correspond to reality.
