Re: Application for Blue Angel  
(DE-UZ 194 / DE-UZ 201 / DE-UZ 202)

Dear Sir or Madam,  
to make sure your application for Award of the Environmental Label is processed without delay you are kindly requested to submit the following documents to RAL gGmbH:

<b>Application via Web-Portal</b>
Application via WEB-Portal: <a href="https://portal.ral-umwelt.de/">https://portal.ral-umwelt.de/</a>
Annex 1 (Declaration of the manufacturer/ form), filled-in and <b>signed</b> . Upload document.
Excel calculation file, filled-in. Upload Excel-file.
(If not all substances in the DID list Part A): For ingoing substances not included in the DID list-part A, associated documentation about the determination of the values using the guidelines described in the DID list-part B. Upload documents.
If applicable: Documentation for anaerobic degradability if an ingoing substance other than a surfactant may be exempted from the requirement for anaerobic degradability. Upload documents.
Declaration from the raw material manufacturer, Declaration from the fragrance manufacturer (if fragrance in the formulation). Upload documents. (Zip-File).
Actual safety data sheet of the end product. Upload documents. (if several as Zip-file)
<b>Actual</b> safety data sheets of all raw materials. Upload documents. (Zip-file)
(if biocides in the formulation): documents about the values for their BCF and/or log Kow. Upload documents.
(if biocides in the formulation): Information about the dosage required to preserve the end product. Upload document.
(if colouring agents in the formulation): documents about the values for their BCF and/or log Kow or documentation that verifies that the colouring agent is approved for use in foodstuffs. Upload documents.
Label (e.g. Layout) of the end product. Upload documents. (if several as Zip-file).
If present: Technical datasheets of the end product. Upload documents. (if several as Zip-file).
Photos or technical drawings of the primary packaging. Upload documents. (if several as Zip-file).
If the WUR limit can only be fulfilled by the use of recycling material or if the packaging is made of more than 80% recycled materials: Supporting documents. Upload documents. (if several as Zip-file).
Test report about cleaning performance (fitness for use). Upload documents.
<b>Only for Hard surface cleaning products:</b> If applicable: Describing or demonstrating how the spray bottles that are part of the packaging can be refilled. Upload document.

Forms and documents that must be submitted **15 months** after the contract was signed if palm/palm kernel oil based surfactants are used in the product:

- Number of the membership RSPO
- Excel-file with calculations for the palm/palm kernel oil used in the production period.  
Proofs of purchase for the surfactants (MB, SG or IP).
- Alternatively: RSPO certificate for the place of manufacturing and audit report

**Hints:**

For **extension contracts** (Products with identical formulation), this means products to be marketed under another brand/trade name and/or other marketing organizations following documents are to submitted:

- Declaration that formulation and (if true) that packaging is identical (form)
- Label/SDS of the product
- If **not** identical for packaging all relevant documents for packaging
- if appropriate additional documents 15 months after the contract was signed (amounts)
