Subject: Application for the Award of the Environmental Label according to DE-UZ 14b for "Finished products made from recycled paper and cardboard"

Dear Sir/Madam,

Your application for the award of the Environmental Label can only be processed without delay when the following are submitted to RAL gGmbH:

Product-related, informal application on the applicant's company letterhead indicating the federal state in which the production facility of the mark holder is located where the products to be marked are manufactured.	
Annex 1	Declaration by the applicant (printed form)
Annex 2	Product sample
Annex 3	Current safety data sheets
Annex 4	Declaration from the chemical manufacturers/suppliers for all of the dyes, toners, printing inks, surface finishing agents, coating materials and adhesives used (printed form)
Annex 5	Test report on deinkability according to INGEDE Method 11
Annex 6	Test report on the removability of adhesive applications according to INGEDE Method 12
Annex 7	Test report on defibratability
<p>- Expected sales of the products marked with the Environmental Label during the year of application.</p> <p>This information is required only if, so far, no other Contract on the Use of the Environmental Label according to DE-UZ 14b has been concluded with RAL gGmbH.</p>	

Please use our Web-Portal (<https://portal.ral-umwelt.de/>) to hand in the documents.
