Subject: Application for the Award of the Environmental Label according to DE-UZ 204 for "Stationary air conditioners"

Dear Sir/Madam,

Your application for the award of the Environmental Label can only be processed without delay when the following are submitted to RAL gGmbH:

- Product-related informal application on the firm's letter-head paper indicating the federal state being home to applicant's factory that manufactures the products to be marked with the ecolabel
- Fully completed "Annexes to the contract" pursuant to DE-UZ 204
- Test report for SEER in accordance with Regulation (EU) No. 206/2012 as Annex 2
- Test report for SCOP in accordance with Regulation (EU) No. 206/2012 as Annex 3
- Test report in accordance with the measurement guidelines for noise emissions in the EU regulation for air conditioners as Annex 4
- ROHS declaration of conformity as Annex 5
- Operating instructions as Annex 6
- Installation and Service Manual as Annex 7
- Annex P-M: Plastics used in the housing
- Annex P-L: Product components made of plastic
- Expected sales of the products marked with the Environmental Label during the year of application. This information is required only if, so far, no other Contract on the Use of the Environmental Label according to DE-UZ 204 has been concluded with RAL gGmbH.
