Re: Application for Award of the Blue Angel Eco-Label according to RAL-UZ 78a  
for "Computers"

Dear Sir or Madam,

to make sure your application for Award of the Environmental Label is processed without delay  
you are kindly requested to submit the following documents to RAL gGmbH:

- Product-related informal application on the firm's letter-head paper indicating the federal state being home to applicant's production facility that manufactures the products to be marked with the eco-label.
- Annex 1: Declarations/Compliance Verifications with respect to the Contract – Basis for award of the Blue Angel eco-label for „Computers“ (form)
- Annex 2: Test protocols on the determination of energy consumption in accordance with the Ecodesign Directive for Computers and Computer Servers
- Annex 3: Test Protocols on the determination of energy consumption in accordance with the ENERGY STAR Program Requirements for Computers (current version: 6.0)
- Annex 4: Product information on the battery used
- Annex 5: Product information
- Annex 6: Test protocol on battery capacity
- Annex 7: Consumer information
- Annex 8: Instructions for a professional disassembly of the computer
- Annex 9: Declarations from the suppliers of printed circuit boards (form)
- Annex 10: Test protocol on the noise emissions of the device (form)
- Annex P-L 25: List of the marked plastic parts > 25 g (form)
- Annex P-M: Declarations from the plastic manufacturers/suppliers regarding the plastics (form)
- Expected sales of the products marked with the Blue Angel eco-label during the year of application. This information is required only if, so far, no other Contract on the Use of the Environmental Label according to RAL-UZ 78a has been concluded with RAL gGmbH.
